To whom it may concern:

The City of Princeton, Kentucky has an occupational license fee ordinance and all businesses or individuals conducting business within the City are required to :

1. Complete a Business License application and purchase the related occupational license
2. Begin withholding 1.5% of the gross earnings of an employees or workers earned in the City and remit Quarterly with the Quarterly Tax Form.
3. Pat 1.5% of Net Profits earned in the City. Net Profits are to be reported annually no later than 135 days after the close of your fiscal year.

Under the terms of the Occupational License Fee Ordinance, penalties and interests may be assessed for failure to file returns and pay tax. Please help us process your returns accurately by using the proper forms supplied by the City and feel free to call out office if you need assistance.

Sincerely,

Julie Poole
City Clerk
City of Princeton, Kentucky
